

## Monroe Elementary School

2502 S. 14th St. | Manitowoc, WI 54220  
920-663-9550 | Fax 920-663-9551

### Welcome to Monroe Elementary!

Our campus is located on a beautiful 18-acre site near the shores of Lake Michigan. Monroe Elementary has been part of the Manitowoc community for 52 years and has an outstanding heritage and reputation for dedicated teachers and effective instruction.

We utilize a rigorous curriculum to ensure our students are equipped with 21st-century skills and knowledge. We set high standards for students by providing a rigorous, standards-based instructional program that is part of each lesson. Frequent, ongoing assessment, study of school data and differentiated instruction serve as the foundation and core of student learning, and are key components of the school's commitment and vision.

In an effort to encourage continuing improvement in technology, interactive learning and communication, classrooms are equipped with state-of-the-art technological equipment. All students in grades 6-12 are provided a Chromebook or laptop to use through our district's one-to-one initiative.

The Parent Teacher Association (PTA) is an integral part of the overall school program at Monroe, and parent volunteers are a welcome addition to our campus. Parents often provide classroom help, chaperone field trips and participate in a variety of other activities. Through successful fundraisers, the Monroe PTA supports our student incentive programs, grandparent's day activities, annual pancake breakfast, the end-of-the-year party, playground equipment, classroom materials, technology and more.

#### **What makes Monroe Elementary School special?**

- Monroe exceeded expectations on the state report card for three consecutive years.
- Monroe hosts Summer Adventure, a four-week summer school program.
- Before and after school care program available through the YMCA.
